**Institut de Mathématiques et de Sciences Physiques<sup>1</sup>**

### Call for 2021-2022 Master (1&2) Applications

The *Institut de Mathématiques et de Sciences Physiques* of the University of Abomey-Calavi is calling for applications to its **2021-2022 Master (1&2) Training Programmes**.

#### The training programmes cover the following fields :

- Fundamental Mathematics and Applications
- Mathematical Physics
- Theoretical Physics
- Computer Sciences (options : information systems, networking and telecommunications, software engineering, management information systems, data science).
- Didactics of Sciences and Technologies
- Statistics and Probability
- Operational Research

The applicants must hold at least a B.Sc. in Mathematics, Physics, Computer Sciences, or any equivalent degree.

For a straightforward Master 2 admission request, the applicant must hold a M.Sc. (or *Maîtrise*) degree in Mathematics, Physics, Computer sciences, or any equivalent degree.

Please note that the Computer sciences section has set up a one-year Pre-master programme. The selection committee is solely authorized to allow a straightforward admission to Master 1 (that is an exemption of the Pre-master).

#### Documents to be submitted are :

- letter of admission request to be addressed to IMSP Director and specifying the desired field;
- CV;
